Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Production Company allowed to film on April 2 , 2011 from 8am-1:30pm at Selma Park.**
- **Cannot impede park patrons from park activities.**
- **Cannot interfere, prevent, or clear park patrons from the location of filming.**
- **Production Company does not have permission to remove or move existing landscape.**
- **Production Company not allowed to add landscape unless approved.**
- **May not drive on any park service road or grassy areas unless approved.**
- **Must work around maintenance activities.**
- **All equipment must be handheld only.**
- **May not block entrance or exits.**
- **Patrons have the right of way at all times.**
- **Production Company does not have exclusive use of any part of the park at any time.**
- **Production Company may do up to 2 minute pedestrian control while cameras are rolling only.**
-
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.

- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitted and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitted will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitted there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products.
